JO MALONE LONDON
English Pear & Freesia

Jo Malone’s Cypress & Grapevine is my favourite in our range. I love its fresh, woody notes. It’s great for long flights as it creates a calming and never overpowering. It’s just the thing to spray on when you need a pick-me-up. Definitely my essential when I fly.

BPERFECT
Body Talk

The BPerfect Cosmetics Body Talk Powder Lustre is a must have in my travel bag. Perfect for glamming up quickly on the go, or for last minute plans, it keeps my skin looking glowy and golden all day long. It is so easy to apply, especially during in between tanning days, a quick glide of the luxurious lustre powder on my legs, chest and shoulders, means I’m ready for any occasion.

Artistry Palette

I love that Morphe created the Runway Ready palette exclusively for travel! Even the shade names have a travel theme and it’s a real talking point with our passengers. I just add a touch of shimmer or a smoky eye for an evening out.

SCULPTED
HydraGlo

Early mornings, long-haul flights, and dry cabin air can wreak havoc on my skin, leaving it dehydrated, dull, and tired. That was until I discovered HydraGlo, it delivers deep, long-lasting moisture while calming irritation caused by constant travel. Its lightweight, fast-absorbing and layers perfectly under makeup, leaving my skin glowy and well-rested despite jet lag. For skin that stays hydrated from take-off to touchdown, HydraGlo is my ultimate in-flight essential!

REFLEX
Active Universal
Travel Adaptor

This travel adaptor has been such a handy addition to my luggage while travelling. It allows me to charge in any country that I’m visiting, with loads of USB port options to support all my devices, coming to my rescue when on a low charge a few times! It takes up such a small amount of space and comes with its own case.
