## JAMESON Irish Whiskey

It all started back in 1780 when John Jameson created his triple-distilled smooth Irish whiskey, and John knew a thing (or three) about making great-tasting whiskey. That's why today, his tradition is continued and Jameson Irish Whiskey is always as perfect as the day John Jameson released his first cask from his single distillery – triple-distilled, twice as smooth and perfectly balanced. 50cl

## GORDON'S London Dry Gin

Gordon's is the world's number one best-selling Gin. Awarded four Royal Warrants and an impressive selection of international gin prizes. Almost 250 years ago, Alexander Gordon started his distillery in London and set about creating the recipe for a brilliant tasting gin. Gordon's high quality and distinctive juniper flavour has come to define the taste of the perfect classic G&T.

But while we are very proud of our history, at the end of the day we are a gin for enjoyment and today's Gordon's is a gin that's enjoyed, not dissected. It's the perfect gin to start a Friday evening, or a Tuesday night catch up with friends, where we share a moment and have a laugh with people we love. 50cl
